

ABOUT US

Two lawyers with almost 30 years of experience. We have already helped dozens of clients to save lot of worries.

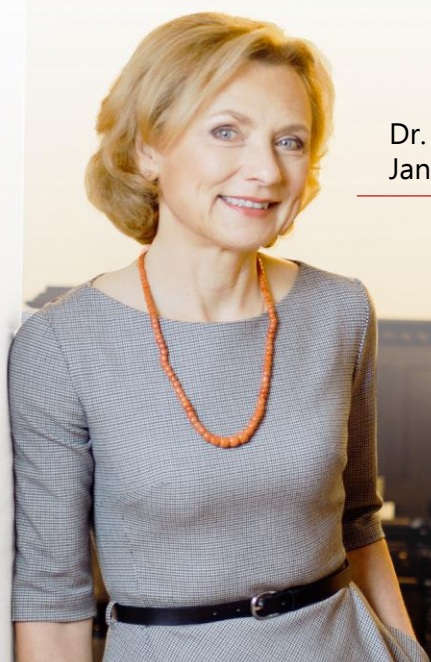

You can talk with us Czech, German, English, Russian or Chinese.

WHY CHOOSE US ?

- We speak clearly, **not by legal phrases.**
- The **agreed dates** are revered to us.
- We are familiar with **many areas of law.**
- You will always **know** in advance how much you will pay.
- We will **adapt to your time possibilities** and needs.
- We will **never reveal your secrets.**
- We are members of the **Czech Bar Association** and we have established liability insurance.

WHAT WE CAN HELP YOU WITH

- **We will write a contract for you.** Or we will review the one submitted to you.
- **We will help you to sell or buy real estate.** We will provide contractual documentation and supervise everything.
- **We will help you starting your business** and then we will secure your company legally. We will help you with contractual arrangements with your business partners.
- **We will represent you in court** and **defend** your interests even in front of the **authorities.**
- **We will check** if your company has everything **in accordance with law**, we will correct the imperfections and we will continue to monitor the legislation for you.
- **We will be your support in solving the inheritance.**
- **In the event of a divorce or separation**, we will find common ground with your partner. We will help with the division of property and **setting the conditions for childcare.**
